"HOME BLUES"

TOMMY RICE	EDDIE BARRY
SALLY BROWN	VERA REYNOLDS

Tommy and Sally get married, but they have little money and find it difficult to secure a place in which to spend their honeymoon. Finally they hire a room but this turns out to be a garage at night time, and the proprietor of the machine that is stored there objects to their presence and that of several of their female relatives. From the garage they make their way to a hotel but are not allowed to remain there because they cannot pay. An undertaker's man directs them to the house of a dead man, but the widow informs them that the house has just been let. Their difficulties finally vanish when Tommy gets a job and the money with which to pay for an apartment.
